Number of individuals who made a refugee claim in the United States, the United Kingdom, Australia or New Zealand before coming to Canada and claiming refugee status in Canada, from July 2019 to January 31 2020. Please include data on country of origin and port of entry.

We are unable to generate statistics on individuals who made a refugee claim in the United States, the United Kingdom, Australia or New Zealand prior to coming to Canada and making a refugee claim in Canada, as this information is not collected in a reportable field. We can, however, provide information on individuals who arrived at a Port of Entry in Canada from the United States and were determined to be ineligible to make a claim for refugee protection pursuant to paragraph 101(1)(e): "A claim is ineligible to be referred to the Refugee Protection Division if the claimant came directly or indirectly to Canada from a country designated by the regulations, other than a country of their nationality or their former habitual residence." from July 01, 2019 to January 31, 2020 by Port of Entry and Country of Citizenship as per table below:
